

Workshop on “Emotions, stress and incentives”

May 23, 2019

Local organizers: Brice Corgnet, Chrisa Gresset, Adam Zylbersztejn

Generous sponsors: IXXI ENS Lyon, LabEx CORTEX, INDEPTH IDEX Lyon

Program

*8h45-9h30:* morning coffee and registration

*9h30-10h30:* **Christiane Schwier** (U of Heidelberg): Stressing people online – a new method and a first validation

*10h30-11h30:* **Thomas Dohmen** (U of Bonn): Does the provision of time resources reduce stress? Causal evidence

Coffee break

*11h45-12h45:* **Giorgio Coricelli** (U of Southern California): Brain, emotion and decision making: the paradigmatic examples of regret and envy

*12h45-14h00:* lunch

*14h00-15h00:* **Nikos Georgantzis** (Burgundy School of Business): I can't stop myself: impulse control and behaviour in asymmetric matching-pennies games

*15h00-16h00:* **Ernesto Reuben** (NYU Abu Dhabi): Shifting normative views: On why groups behave more antisocially than individuals

Coffee break

*16h15-17h15:* **Charles Noussair** (U of Arizona): TBA

*20h00:* workshop dinner (upon invitation)
